

# Community Seminar

## Unraveling the Mysteries of Parkinson's

A community seminar taking place in Berwick  
for people with Parkinson's, Carers, Family and Friends

**FRIDAY 10th September 2010**

Are you interested in learning more about Parkinson's disease and the support and specialist services available in your local area?

Join **Parkinson's Victoria** and keynote speaker Parkinson's Specialist Neurologist, **Professor Robert Iansek** for an informative, relevant and friendly community seminar.

Professor Iansek is passionate about the field of neurology, specifically movement disorders and Parkinson's. He will discuss a range of topics in relation to Parkinson's in easy-to-understand language, including symptom management, surgical interventions and current research.

**Don't miss this unique opportunity to hear from an expert in the area of Parkinson's, ask questions and meet staff from the peak state body, Parkinson's Victoria.**

Further information about the services of Parkinson's Victoria and support groups in your local area will be available on the day.
