

PROMOTUS:

DIRECTORY OF NATIONAL
ASSOCIATION MEMBERS

PROMOTUS
THE PSP | CBD GLOBAL ALLIANCE

INTRODUCTION:

In June 2019, PSP|CBD associations from Canada, France, Germany, Ireland, Japan, UK and USA met in Raleigh, North Carolina to found PROMOTUS, the PSP|CBD Global Alliance. The Alliance's main objectives are to: represent the views of national PSP|CBD associations, providing a single point of contact for pharmaceutical companies and researchers; provide best practice care and support for people affected by the conditions; encourage research into PSP|CBD and ensure that research outcomes are disseminated around the world; partner pharmaceutical companies and bio-techs to facilitate easier access to patients for clinical trials; and, grow the network of PSP|CBD associations around the world to reach and support more people affected by the conditions.

Since founding PROMOTUS, the Alliance has been joined by representative associations from five other nations.

The combined efforts of these 12 associations working as a single international body will deliver an increased focus on PSP|CBD research, providing real hope for people affected by these devastating conditions.

PROMOTUS, THE PSP|CBD GLOBAL ALLIANCE

ARGENTINA

Name: PSP Argentina (supported by CurePSP, Inc)

Mailing Address: Figueroa Alcorta 468 6C, 5000 Cordoba, Cordoba, Argentina
